Signing Babies I: *the original WeeHands class!* During this 8-week class, you will learn over 150 ASL signs to use with your baby. We meet for 60 minutes each week and focus on a specific theme each class, e.g., food signs or play signs or family signs, etc. Each week you'll learn at least 20 signs and one or two songs to sign with your baby. Our instructors will lead a general discussion on language and communication development in the first year and class participants will be assigned *homework* weekly that focuses on using ASL signs while encouraging language and communication development (*don't tell anyone but the homework is fun!*). A **WeeHands Signing Babies I** manual, with pictures of all signs taught is provided for all families attending. Age recommendation: 4-12 months of age.

Each **WeeHands** workshop or class is limited to 10 babies and their families. Your tuition for a **Signing Babies™** (babies 0-12 months), includes a **WeeHands** manual and covers your family (mom, dad, grandparents, etc., can attend with baby).
