

# ONLINE & IN-PERSON AMERICAN SIGN LANGUAGE (ASL) CLASSES FALL SEMESTER 2025 INFORMATION

**MINIMUM AGE:** Students from Grade 9 or older can register for our sign language course.

**CURRICULUM:** BRCCED uses a curriculum called “Signing Naturally” taught by our qualified Deaf instructors. The language you learn is the language used in everyday conversation. By learning language functions in interactive contexts, you also develop conversational skills in confirming and correcting information, expressing degrees of uncertainty, asking for clarification and repetition. Our virtual and in-person courses operate in ASL immersion style no-voice environment. This means that you will be asked to keep your voice turned off during your class.

American Sign Language (ASL) is native language of Deaf Individuals in North America. The Bob Rumball Canadian Centre of Excellence for the Deaf offer online and in-person classes in ASL, as a second language. Our courses are non-accredited, interest classes. However, to progress among the levels, students must receive Satisfactory Standing. We do not give out official Income Tax receipts but you can always contact Revenue Canada for further information.

## Fall 2025 Term Information

The Rumball Centre is focused on maintaining a safe and healthy environment on our site. We are planning for a fall semester that will allow for a return to a limited number of in-person classes in Toronto. The majority of the classes will be continued to be delivered online.

To protect the health and safety of our community, stay home if you:

- Have COVID-19 symptoms
- Have travelled outside of Canada within the last 14 days
- Have been in close contact with someone who is sick with COVID-19 symptoms, "OR" who is waiting for a COVID-19 test result
- Have had a doctor, healthcare provider or public health tell you that you should currently be isolating (staying at home)
- Have received a COVID Alert exposure notification on cellphone

If you are feeling unwell, DO NOT enter the building. We have vulnerable residents who live on site and we need to protect them, as well as your fellow students and instructors. All students are encouraged to self-monitor.

In-person classes will be held in the gym or sunroom to ensure physically distancing of 6 feet can be maintained. Physical distancing must be maintained at all times in the Centre. All spaces are cleaned and disinfected multiple times during the day, and hand sanitizers dispensers are located throughout the building.

We are excited to welcome some of you back to the Rumball Centre in the coming months and thank you for your cooperation and support.

Wishing you a healthy, enjoyable fall semester!
