

AMERICAN SIGN LANGUAGE CLASSES

IMMERSIVE ONLINE & IN PERSON LEARNING

FALL SEMESTER 2026

MINIMUM AGE: Students from Grade 9 or older can register for our sign language course.

CURRICULUM: BRCCED uses the *Signing Naturally* curriculum, taught by qualified Deaf instructors for teaching American Sign Language (ASL). The language you learn is the language used in everyday conversations. Through interactive lessons, you will develop conversational skills in confirming and correcting information, expressing degrees of uncertainty, asking for clarification and repetition.

Our virtual and in-person classes operate in an ASL immersion style, no voice environment. This means you will be asked to keep your voice off during class so you can fully engage in visual communication and develop your signing skills.

American Sign Language (ASL) is native language of Deaf individuals in North America. The Bob Rumball Canadian Centre of Excellence for the Deaf offers both online and in-person ASL classes as a second language. Our courses are non-accredited, interest classes. However, to progress through the levels, students must achieve Satisfactory Standing.

Please note that we do not issue official income tax receipts. You may contact the Canada Revenue Agency for further information.

FALL 2026 TERM INFORMATION

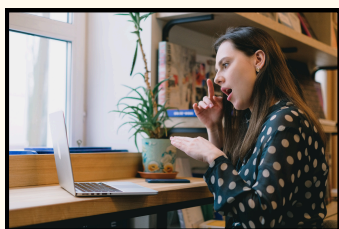

The Rumball Centre is focusing on maintaining a safe and healthy environment on our site. This fall semester, we plan to offer a limited number of in-person classes at our Toronto and Milton locations while the majority of courses will continue to be delivered online.

If you are feeling unwell or have COVID-19 symptoms, please stay home and do not enter the building. We have vulnerable residents living on site and it is essential to protect them, as your fellow students and instructors. All students are encouraged to self-monitor.

All spaces are cleaned and disinfected multiple times throughout the day and hand sanitizer dispensers are located throughout the building.

We appreciate your cooperation and support. Wishing you a healthy and enjoyable fall semester!
